

## ABOUT TAP INTO MONTANA BREW FEST

The 10th Annual Tap into Montana Brew Fest will be taking place on Saturday, June 22nd, 2024 at Miles Park & Bandshell along the Yellowstone River in Livingston, Montana.

Each year, we partner with a local nonprofit to support the great work they do within our community. This year, we are excited to be partnering with the **Livingston Center for Art and Culture**. A portion of the proceeds from the brew fest will benefit LCAC in support of its mission to "spark new ways of seeing and thinking through the experience of art and culture."

Tap into Montana will feature craft beer tasting from your favorite Montana breweries, live music from local Montana bands: Band of Drifters and Quenby and the West of Wayland Band, local food vendors, and new this year we are featuring several local art and craft vendors. All against the beautiful backdrop of the Yellowstone River and the Absaroka Mountains.

This community event draws hundreds of attendees from all over the region and is a great way to get your brand in front of a diverse crowd of consumers of all ages who love craft beer, live music, good local food, community, and enjoying the outdoors. Thank you for considering supporting this great event!
